Fire Extinguisher

Who should attend?

This course is suitable for people who will have responsibility to use a Fire Extinguisher in the workplace.

Course Aims & Objectives

The purpose of the course is to give delegates an understanding of the use of a Fire Extinguisher.

By the end of the course delegates will:

- Be able to use equipment to put out basic fires
- Understand the different types of Fire fighting equipment and when to use it

Course Outline

- Basic principles of fire
- Classification of fires
- Fire extinguishers – types, classifications, checks and colour coding
- Practical demonstration of fire extinguishers (please note we do not have a live fire)

Certification

Certificates of attendance will be awarded to delegates upon completion of the course.

Duration

1.5-2 hours

Location

We can offer courses on company premises for a maximum of 12 delegates.
